

Parent Information Night & Supply Drop-Off Thursday, August 18, 2016 A Cumberland Title 1

We are trying something new next year by combining our Parent Information Night with the School Supply Drop-Off. This will be a family event where you and your child will meet the teacher before the start of school, learn about the curriculum expectations, and organize school supplies in the classroom. A pizza dinner will be available for all families provided through Title I funds.

The evening will begin with the supply drop-off in classrooms from 4:00-5:00 p.m. During that time, you and your child will stop by the classroom, meet the teacher, and organize his/her school supplies. If you ordered a school supply kit from the PTO, the boxes will be delivered directly to your child's classroom. If you are new to Cumberland, please join us in the main office for a school tour starting at 4:00.

At 5:00, all students will be escorted to the lunchroom where childcare will be available. Parents will stay in the classroom and listen to an informational session provided by the teacher. To accommodate parents with more than one child at Cumberland, each teacher will have an identical session at 5:30 as well. If you only have one student attending our school, you may pick up your child in the lunchroom and take him/her to the MPR for a pizza dinner after attending the 5:00 session. Families attending the 5:30 classroom session will pick up children after the session and join the Cumberland staff for the pizza dinner.

Also available that evening in the gym, several of our staff members will be hosting tables with parent resources. Jenny Walsh and Liz Arnold, Cumberland Social Workers, will have information on our PBIS and Olweus programs and social/emotional health. Erica Cupuro, our school psychologist, will provide tips on executive functioning strategies. Barb Zachwieja, our LMC Specialist, will provide a list of online resources available to parents. Melissa Llano, our Instructional Coach, will provide tips and strategies to help your child with reading and math. Finally, our PTO will be available to answer any questions about that organization and explain how you can get more involved in supporting the school.

We look forward to seeing you on August 18th!
