

Iroquois Community School Enrollment for Kindergarten Students

Registration for children who will be 5 years old as of September 1st, 2017 will be held on Tuesday, February 7th. Please come to the school lobby between 4:30pm and 7:30pm to pick up a registration packet. **Completed registration** (with the exception of medical forms) is due to the office by the first Friday in March.

Children who have siblings currently attending ICS have priority over all registrants. If we receive more than 50 total registrations, all other children who have turned in completed registrations will be entered in a lottery. This lottery will be held in March. Student names are placed in a 'hat' and are pulled in a blind draw by two of the district associate superintendents. You will be notified of the results by email the first week of April.

Please be aware that you are not required to register at your home school. If your child is not drawn in the lottery, we will forward your registration paperwork to the home school.

When registering your child on February 7th, please bring:

1. An **original certified birth certificate** – we will make a copy and return the original to you.
