Dear Parents/Guardians,

Instrumental music is returning for another year. Many students express an interest in participating in music, but lack the financial resources to participate.

Fortunately, you can help. If you have an orchestra or band instrument lying around the house, please consider donating the instrument to the district. Not only do we welcome instruments that need minor repair work, but the donation is tax deductible.

Thank you in advance for your help.

## Clothing Drive

We are **looking for clothes** that are used, clean, and in decent shape for our clothes drive this year. Bring clothing you no longer want (hats, shirts, pants, skirts, jackets, coats, mittens, boots, etc.) to the office in a bag or box that you have marked CLOTHING. The **items will be available November 19 and 20 during conference hours** in the Plainfield gymnasium for anyone to **take without charge**.
