

Report from the Superintendent

Dr. Floyd E. Williams, Jr.

July 17, 2017

Day1: Summer School and Iroquois Community School

July 10 marked the start of summer school for our Title 1 eligible students and Title III Terrace School students. The program will be held at Plainfield School and end on August 3.

Iroquois staff returned on July 10 and students returned on July 11. It was a positive and smooth start to the FY18 school year.

Welcome New Cabinet Team

I would like to formally welcome our three new members of our administrative team to tonight's Board Meeting:

- Laura Sangroula, Assistant Superintendent for Instructional Services
- Adam Denenberg, Chief Technology Officer
- Victorene King, Director of Strategic Initiatives and Accountability

I look forward to collaborating with these professionals as they work with our administrative team. I am excited about the year ahead and all the good work this team will accomplish.

Intergovernmental Meeting

July 17 marked our first Intergovernmental Meeting in order to engage with surrounding agencies and organizations. Consistent communication is key in order for us to continue to collaborate and support one another while focusing on our own respective initiatives. The purpose of the meeting was for local agencies and organizations to gather and share relevant updates and information. Our intent is to continue this practice of meeting on a consistent basis. Our next meeting will be held October 25.
