## Foundation Benefit raises over \$20,000

My wife and I had the pleasure of attending the District 62 Foundation Benefit on February 24. I'm happy to report that over \$20,000 was raised, which directly benefits the students of 62.

The success of the event would not have been possible without the generous donations from District 62 parents, staff and community. The Foundation extends its deepest appreciation to all those who attended. Your time is valuable and they are most thankful for the time you gave to support their cause last month.

Kudos to the entertainment Active Improv that featured our very own staff member Ben McGuiggan. They kept us laughing that night. A note of thanks as well to Pam Carrico and her husband Mike for donating their time and TapSnap photo equipment as part of the evening's entertainment.

As the District 62 Foundation plans for its future, it currently seeks interested candidates to serve on the Board with several vacancies opening in June. If you would like to join the Board, please email Betty Murphy at [murphy@d62.org](mailto:murphy@d62.org)

## Online registration opens March 27

After months of planning in preparation for the launch of this new initiative, I am excited to announce that online registration will officially open to our returning 1-8 grade families March 27. Our goal is for families to register students by May 5.

Our team has worked very hard to make this process flow with ease.

We hope you visit our website on March 27: [bit.ly/parentportal62](http://bit.ly/parentportal62) For more information, please visit the homepage of our website that includes information in Spanish and Polish.

For those families that need additional support with online registration, open houses will be held in late April and early May. Dates will be announced in early April.
