Will winter ever end?? The cold weather might have us stuck inside, but the students of Terrace School are hard at work. Check out this latest edition of the Terrace Times for more news on what's happening in and around school.

1st Grade

Congratulations to Mrs. O'Brien's class for earning the Courageous Cardinal! They are kind, hardworking, and all-around model students. Exactly the kinds of kids that the Courageous Cardinal looks for here. Squawk, Squawk, Squawk!

5th Grade

The 5th graders are busy researching force and motion before constructing their own roller coasters, as well as researching the Revolutionary War, and creating Board Builders so they can present their findings to their peers.

Reminder for parents of Kindergarten and 2nd grade students. A Dental Exam form needs to be turned into the Health Office by May 15. Make those appointments now to see the dentist before the deadline.

Mrs. Zanchelli's students are so proud to be fundraising for the American Lung Association! By participating in Jump Rope for Heart in P.E. class, they earned their first prize: a mini rubber duck. What will they earn next??

ELL

Our ELL students are hard at work! Using iPads, laptops, and the Smartboards to enhance our learning.

PTC

March has arrived! It's hard to believe how fast 2015 is flying by....before we know it it'll be Spring (and all this crazy cold weather will be a distant memory)!

Before we head into March, a huge THANK YOU to all the families that helped make Teacher Appreciation Month a success! Our teachers and staff received two catered lunches and a few surprise treats over the month of February. It's a great way to honor our teachers and the PTC couldn't do it without the help of our Terrace community.

Time to mark your calendars for March!

March 2 - PTC Meeting, 6:30pm

March 3 - Science Fair, 7-8pm

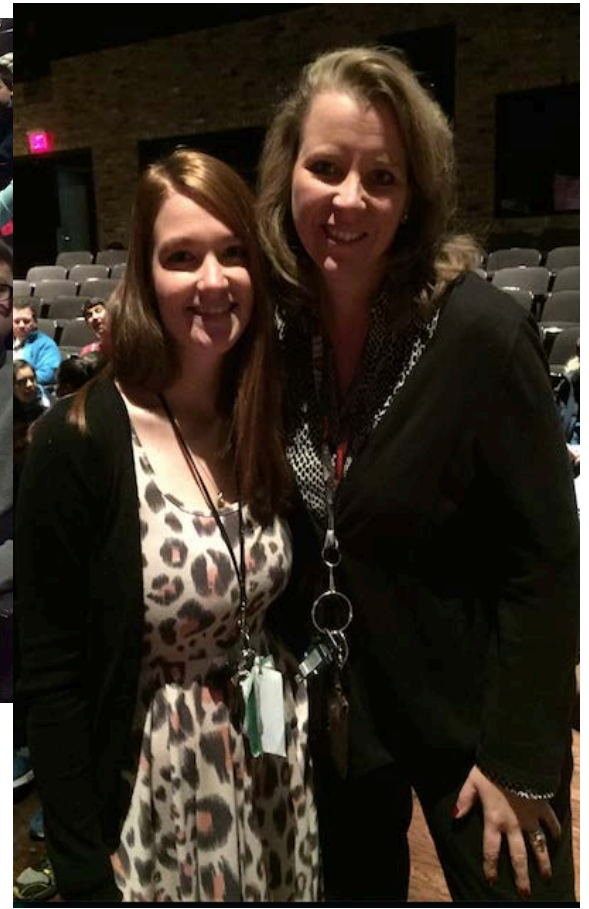

March 5 - Teachers serve dinner at Elly's (Glenview), 5-7pm

March 20 - Movie Night
